A FAITHFUL
FRIEND

A BANK Account is a faithful friend. It never deserts a man until a man deserts it. When everything else goes back on him, the man with money in bank here still has a Faithful Friend.

Stand back of your Bank Account NOW and it will stand back of you THEN.

DEFEATED CREEK

Our school is moving along nicely with an attendance of 30.

Mr. and Mrs. Boyd Ison spent the week end with her parents, Mr. and Mrs. Mont Blackworth.

Miss Thursa Huff spent the week with her grandparents, Mr. and Mrs. Mat Fields.

Mr. Estell Ingram, son of Mr. and Mrs. L. W. Ingram, returned Monday to Pine Mountain, where he will attend school.

Arnold and Aden Ison will leave Sunday for Berea, where they will enter school.

Miss Ethel Fields, who has been staying at Dudley, is now visiting her parents, Mr. and Mrs. Sampson Fields.

Joner Cornett, deputy sheriff, was killed upon the head of Linfork Sunday. It is not known who did the shooting.

TILLIE ITEMS

The death angel flew over the home of Will Collins and took his wife. She left seven children, husband, mother and a host of friends to mourn her loss.

George Collins was called home to the bedside of his mother from Cincinnati, by a telegram.

Miss Effie Collins spent the week end with her brother, Claud Collins, at Millstone.

Mr. and Mrs. Claud Collins, spent Sunday afternoon at the home of Mr. and Mrs. Letcher Collins.

The box supper at Henry Brown's school house brought in \$27. Every body reported a nice time.

Mr. and Mrs. T. W. Frazier and little daughter, Joy Wray, went to Cincinnati to see her brother, Raymond Collins.

G. B. Taylor of Louisville has a big timber job on Colly.

Mrs. Ambrose Halcumb of Poor Fork is expected to arrive Saturday at the home of her sick mother, Mrs. Isom Eldridge.

Mrs. G. B. Collins has a fine cow for sale.

TURKEY CREEK SCHOOL

I am writing you in regard to our school. I believe that we have one of the best schools in Letcher county. I don't mean to be selfish, but truly our school is

progressing. I am 11 years old, and am in the fifth grade, expect to advance to the sixth before long. We have a fine teacher, and we girls and boys all like her fine. She is Miss Nellie Land.

We always plan a program for Friday afternoon. We have spelling matches, arithmetic races and we say speeches, etc. The patrons of this place are very good about coming out and they all seem to enjoy themselves as much as we youngsters.

Some of our best spellers, also some of the best in speed and accuracy in arithmetic, are: Verna Stamper, Myrtle Caudill, Artie Cole, Matt Eldridge, Fess Caudill, Aaron Ison, Shelby Sumpter and Newman Ison.

We intend to make our school a place of livelihood for the community as well as a place of learning.

One of our best students, Maxie Stamper, has entered school at Stuart Robinson, at Blackey. We surely miss her, too.

We have three new buildings on our school premises, and we believe you'll agree with us that we are getting a good start. We're pulling for the goal so now we leave a challenge for any school to compete with us in spelling or arithmetic races.

Our teacher is striving hard to help us girls and boys to see the advantage of an early education, and we fellow - students are going to put our shoulders to the wheel and help make this school. Our school, one of the leaders in the county.

of Elsiecoal. Other applications are still being received.

Grace and Paul Rice were called home a few days ago on account of the serious illness of their father. We are glad to note, however, that Mr. Rice is now improving.

Mr. Phillips and the boys spent a large part of Monday in removing from the athletic field the growth of grass and weeds which had sprung up during the summer and will soon have it in excellent shape.

Misses Foster and Davis are to direct the girls' athletic this year. They are planning to have games on the campus each afternoon until the opening of the basketball season. This is for the purpose of teaching the girls new games and arouse interest and enthusiasm in order that they may be able to suggest and direct games at their socials.

Mr. W. D. Lewis will have charge of the boy's athletics and has quite an interesting program mapped out for them.

Mr. W. L. Cooper went to Jackson Saturday afternoon where he held services in the Presbyterian church on Sunday.

He spent Monday in Hazard, returning to Stuart Robinson that afternoon.

We are having some unusually good picture shows, among the best having been "Roose of the Golden West", and "Robin Hood."

Many other splendid pictures are promised us through the school year.

Mr. W. D. Lewis attended the and Principals of schools in Perry, Letcher and adjoining counties which met in Hazard last week. Messrs. J. B. Hallway and Mark Godman, State Supervisors of High School, were present at this conference and requested that all Principals explain to their pupils the requirements for accredited schools.

This Mr. Lewis did in a most interesting talk at chapel. Our school is "A" grade and we are now working toward a still higher rating. In order to maintain our high standing we expect to adhere strictly to the re-

quirements for accredited schools and do only work outlined by the High School authorities.

Misses Mary T. Cleland, of Pewe Valley, and Billie Ramey, of Louisville, were visitors at the school Sunday and Monday.

These friends are very deeply interested in the work we are doing and we thoroughly enjoyed having them with us.

Circle No. 2, of the Woman's Auxiliary, met with W. L. Cooper, Jr., on Monday afternoon. Fifteen were in attendance. The study of Luke was taken up, this being led by Miss Alice Caldwell. The meeting was full of interest and inspiration.

NUTRITIONIST HERE

tion for school and community. She has served as a Home Economics teacher and has also been associated with the State Board of Health as a nutritionist and as an extension worker sent out from the University Experiment Station. The chapter is particularly fortunate in securing Miss Bonar as a "nutritionist. She comes to the chapter highly recommended by all those with whom she has worked.

Discussing plans announced by the Red Cross, Mrs. Sloan said that Whitesburg and Letcher county can be proud to realize itself with other progressive communities in the United States that have adopted nutrition programs. She pointed out that physicians trace many diseases to faulty eating habits and that malnutrition in children paves the way for many ills known to childhood, especially tuberculosis. It has been estimated that one-third, or about 6,000,000 Amer-

ican school children are afflicted with malnutrition. This figure includes children of the well-to-do as well as those less fortunate financially, for malnutrition does not necessarily mean that the children are not getting enough to eat. It means simply that they are not eating the right types of food. The scientific farmer today studies the needs of his cows, horses and chickens with a view to improve his stock and we think it is even more important to know what to feed human beings so that they may be healthy.

Application must be properly executed and filed with the Commission not later than September 28, 1928. The date for assembling of competitors will be given on admission cards sent applicants soon after Sept. 28, and will be about 15 days later.

FLY-TOX

Flies have caused more deaths than all wars combined—yet some of us do nothing to help prevent future casualties. Flies have no preference—you or some of your family or friends may be next. Start today—and kill every one you see. It is easy if you use the product produced and perfected by the foremost industrial institute of its kind in the world. It is fragrant and harmless to mankind, but kills all household insects. Just follow instructions on blue label of bottle. INSIST upon FLY-TOX from your retailer.—Adv

SORE Could Not Rest

Mrs. J. H. Nichols, who lives at 518 Elm Tree Lane, Lexington, Ky., says:
"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest."
"The lower part of my body was very sore. I did not feel like eating, and did not sleep well at all at night."
"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."
"About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. 'I took Cardui again,' she adds, 'and it helped me wonderfully. It is a splendid tonic.'"
"Cardui is a mild, medicinal tonic, made from purely vegetable ingredients."

Opera Star and Her New Buick

Miss Florence Easton, soprano with the Metropolitan Opera Company, is one of the many proud owners of the New Silver Anniversary Buick. In Chicago for the Ravinia Park opera season, Miss Easton viewed the new Buick at the time of their recent introduction, and ordered one immediately, explaining "I was so captivated by its beauty I knew at once I must own one."
